1947—a great year! Harry S. Truman was president of this grand country, a world war had just been won, post-war prosperity was thriving and the baby boom was well under way. It was also the year when the two hundred seventy students destined to become Nazareth Area Senior High School's Class of 1965 were born, caring little about world peace or freedom, but only that they were loved and cared for.

We grew. As we grew we met other children, other places, and other situations. Parents worried about such nebulous things as the Korean war, elections, and unemployment. We were content to grow; to observe; to ask questions in order to satiate our ever-growing curiosity.

Then, in 1952, we started to school, carrying lunch buckets and pencil cases. Here we met still more new people and learned to do new things—print, paint, write, add, divide, read, quarrel and make-up—the innumerable things that kids do.

We learned history and geography—how other people live and what they think. We played kickball, began to search for news clippings in the paper, and experimented—planting seeds, watching bread mold; making designs on the blackboard.

Soon we arrived at that great day—orientation into junior high school, that big school that so awed us by its "sections," different teachers and numberless hallways. Having been whisked through the school, we could hardly wait for September so we might become, miraculously, "high school kids."

Those three years were also growing years. We began to study current events and realize the extent to which they affect us. 1960—election year, was a time of class polls to determine who we preferred to be president. We heard of Fidel Castro, the new prime minister of Cuba, coupled learning of Hawaii's statehood with her annexation, and listened to transistor radios the day the Titan was launched.

Then, in our Freshman year, the fact that we are a part of a baby boom caught up with us. Nazareth Area Junior High School was just too small to hold classes as large, and larger, than ours, and an addition and a renovation were begun. Consequently we spent ninth grade walking through plaster dust, learning to dance in gym, and almost majoring in study halls. Nevertheless, that year, too, was important, as it taught us patience and cooperation.

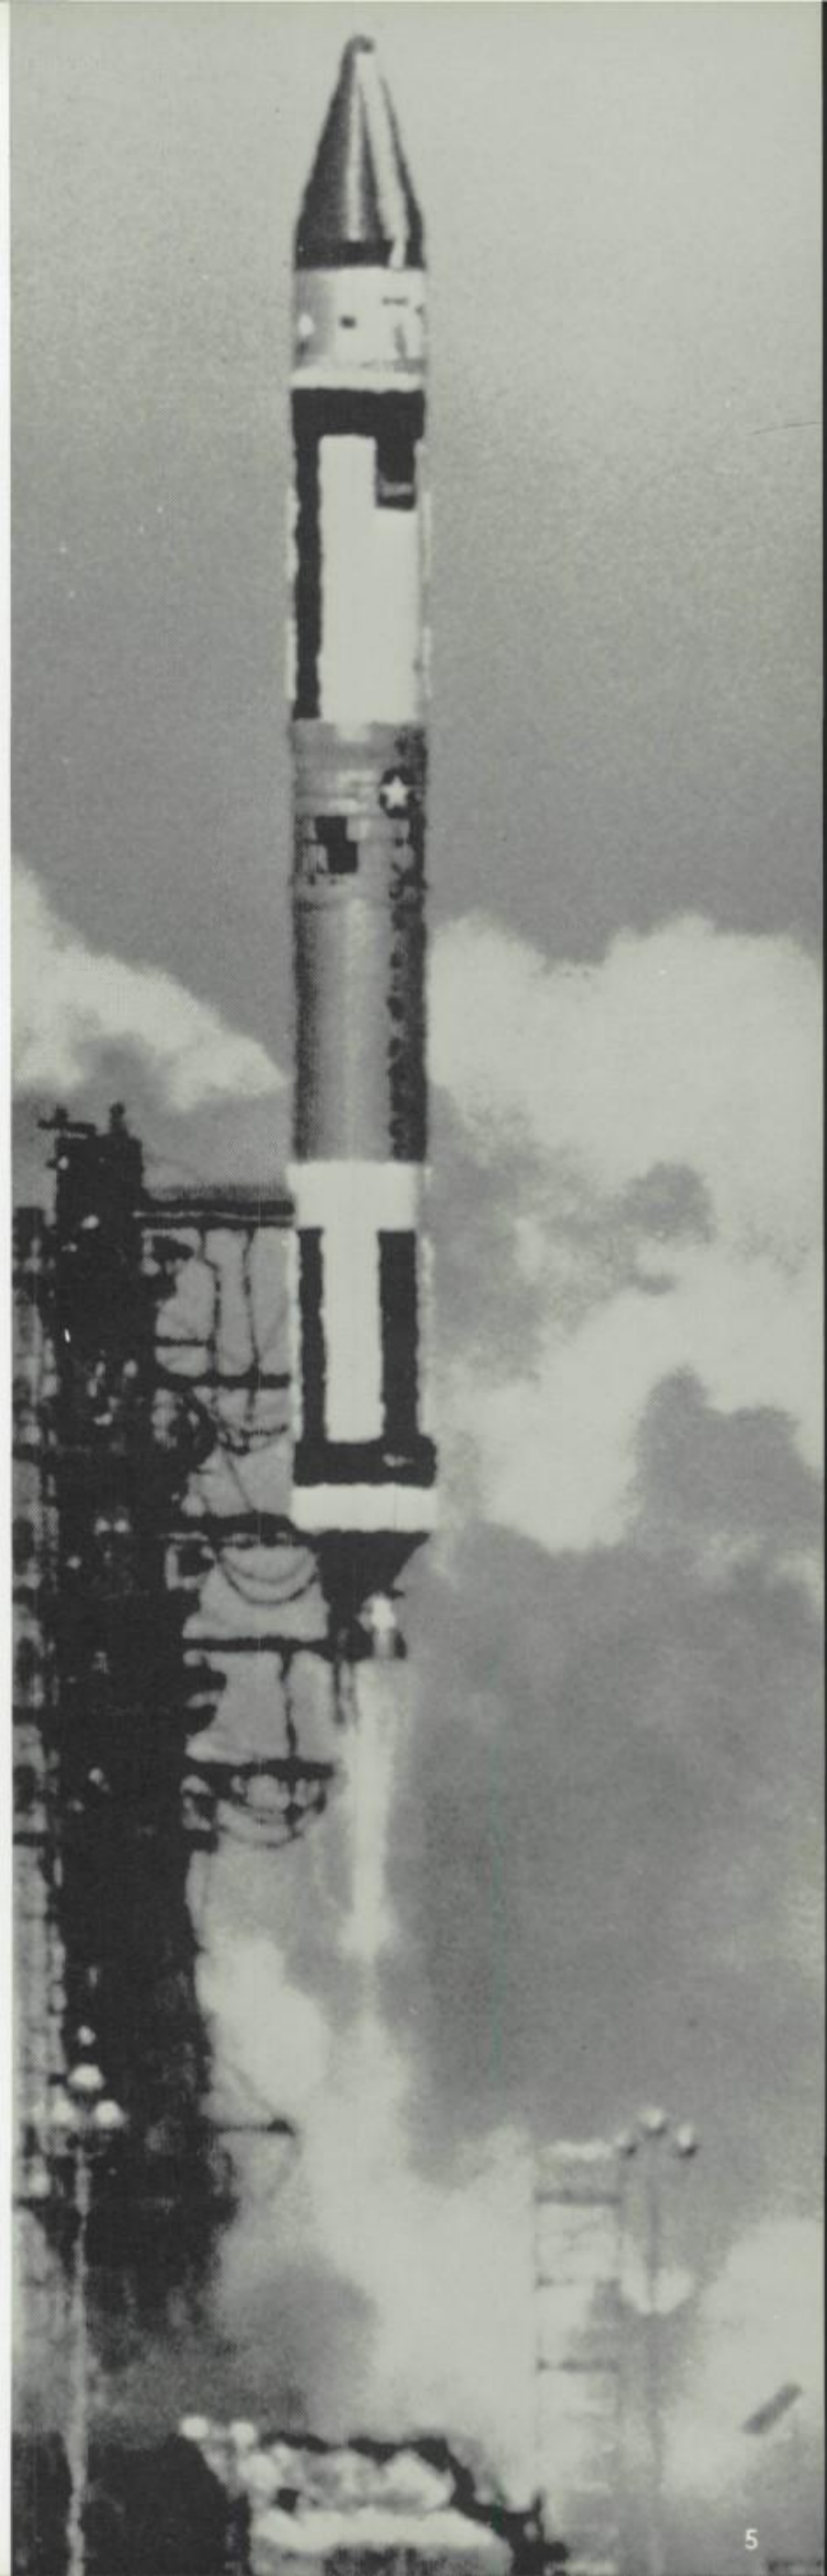

Wide World Photo

Wide World Photo

As Sophomores we were taught world history, which gave us a better understanding of our past and how it influenced our present and future. We studied about different countries, and learned how teenagers live and think in Russia, and India, and China. We learned of today's great democracy-socialistic struggle, and began to prepare to enter it as adults.

We learned American history as Juniors—learned how our great country has grown from its simple beginnings into the world power which it is today. Then, as we were learning of the War of 1812, history was made—interrupting our order in books, becoming horribly and terribly real. John Fitzgerald Kennedy, President of the United States, was slain by an assassin's bullet. The entire nation mourned its loss.

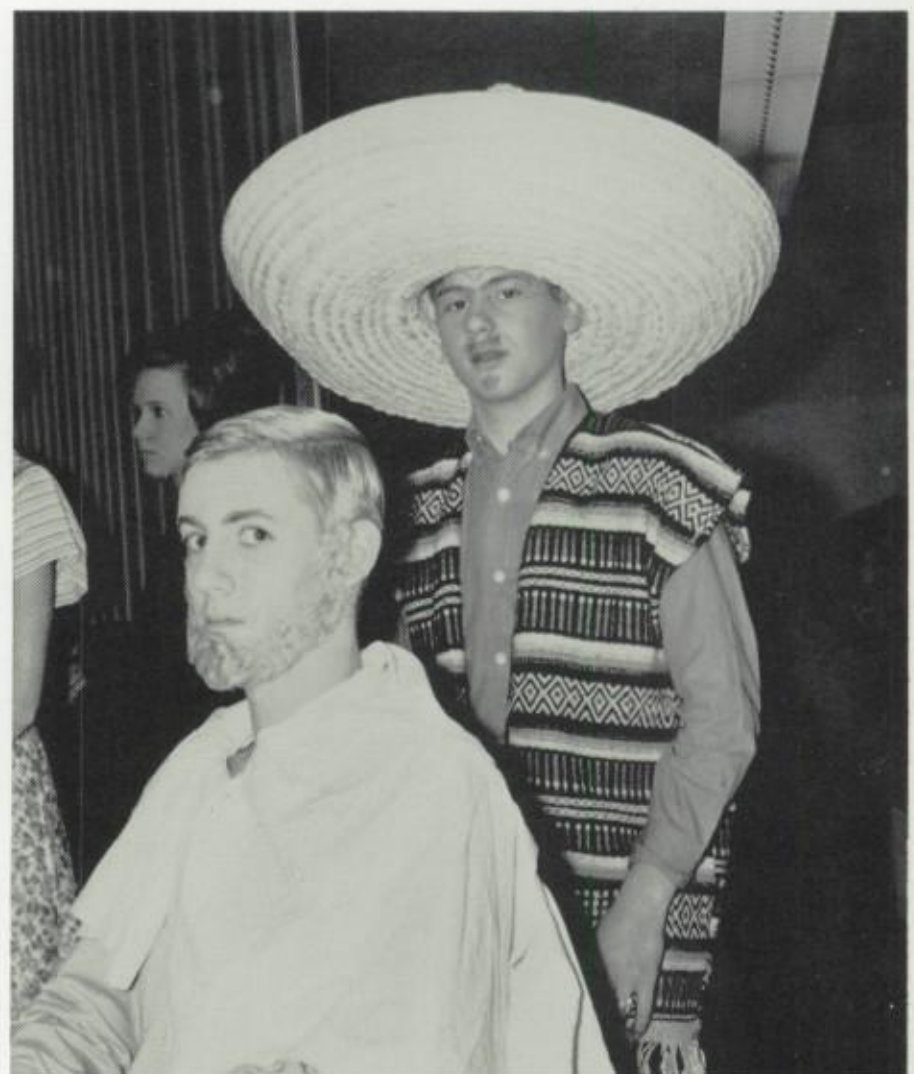

However, life went on. Driver education taught us caution and responsibility. We learned how intricate and dependable is nature around us, and how uniform are her laws. We shared and learned cooperation in planning, paying for, and executing the prom.

Now—finally—we are the Seniors. We have struggled and worked to get here, but our work is none the less because we did get here. We've worked—on the senior play, on athletics, on making the newly-formed Bi-partisan Political Club a success. But we've worked most on studying, acquiring knowledge that will be useful to us in the future, whether we plan to go to college or to become bookkeepers. This book has been published as a memorial of those long years of work, and sweat, and tears, and laughter, and joy. May we always appreciate those who have helped us, humored us, and bawled us out—in short, our teachers.

Perhaps the best way to retell the story of this, our last year at Nazareth Area Senior High School, is to begin with one of the most familiar scenes around the school, and one of the first

We Saw as Sophomores . . .

Nazareth Area Sup of Lehigh

Since 1956, when the senior high school building was brand new and we were third graders, Herbert F. Cobley and Wilfred Sheetz have been responsible for our welfare in school. They have coordinated all the schools—elementary, junior high, and senior high—and have made sure that our school years were growing years. They are the men behind the scenes, those people who we don't really concern ourselves with, nor know too much about, but who are so important to every facet of our school life.

As Superintendent of Schools, Mr. Cobley is in charge of the educational program of the school system in all of its aspects—from classroom activities to the planning of a total school curriculum—a plan for learning from kindergarten to twelfth grade. He must carry out these functions, however, in accordance with the policies set by the school board. It is he, therefore, who recommends plans for class trips, concerts, and festivals. However, he must also struggle with such things as trying to keep expenses within the budget, and explaining why students can't wear skirts above their knees or tight pegged pants.

Mr. Cobley has succeeded admirably in coordinating the schools and in executing school policy and is among the most valuable men in our District. He has recently been reappointed to the Lehigh Valley Educational Television Board of Directors.

Wilfred J. Sheetz, secretary to the Board of Education and business manager of the Nazareth Area School District, has a big job, for it is his duty to take care of the finances of the district. He has to struggle to make ends meet and keep expenses to a minimum, but at the same time must buy all supplies and materials for the school year as well as take care of miscellaneous items such as the insurance program, the busses, custodians, and the cafeteria staff. He must criticize; he must judge; he must evaluate those things that will most benefit us, the students, while keeping expenses within the budget.

During his nine years as business manager, Mr. Sheetz has proved himself capable of controlling the finances of the district, and therefore has helped to make our school years go more pleasantly and smoothly.

We owe much to these men—Mr. Copley and Mr. Sheetz—and to the entire administrative staff and members of the school board, for without their "backstage coaching," our school life would have been much less profitable than it has been. We wish to express our appreciation to them, and hope that they will continue to guide us for many more years.

Business Manager WILFRED J. SHEETZ, is a graduate of Susquehanna University.

Weekly meetings are held with the Guidance Department to assure the students in the Nazareth Area Senior High School of the best educational facilities available. Mr. F. C. Benfield, Superintendent of School Herbert F. Cobley, Broni Krisukus, Robert Reichard, and Margaret Ruch discuss still one more problem in the planning of the curriculum.

F. CHARLES BENFIELD, principal of Nazareth Area Senior High School, earned his B.S. degree from Dickinson College and his M.S. degree from Bucknell University. Mr. Benfield devotes countless hours and endless energy in supervision of the curriculum.

MRS. MARGARET RUCH, guidance counselor to tenth grade students and in the junior high school, earned her B.A. degree from Albright College and a M.Ed. degree from Temple University. Mrs. Ruch is one of the advisers to the Student Council.

ROBERT REICHARD, guidance counselor to eleventh and twelfth grade students, is adviser to the Student Council and the Junior Class, earned a B.S. degree from Kutztown State College and his M.A. degree at Lehigh University.

MRS. JOSEPHINE SCOTT, earned her R.N. from Abington Memorial Hospital School of Nursing and a B.S. degree in Education from Kutztown State College. She provides school health services to protect and improve student health.

Insofar as time, finance, school facilities and circumstances permit, it is the goal of the directors of the school district to provide the following rights for pupils:

1. Equality of educational opportunity.
2. A program of education which will, consistent with their ability, equip pupils with essential skills, knowledges, understandings and

attitudes needed for effective living in the modern world.

3. A safe, healthful, comfortable and pleasant school environment.
4. Teachers who are emotionally well adjusted and who create in their classrooms an atmosphere of security, friendliness and fairness in order to foster the mental health of pupils.
5. Harmonious relationships

between the school and the home, based on mutual respect and trust.

6. A sufficient number of teachers to provide a high quality of instruction.
7. A type of instruction which will produce, within individual limits, a method of learning and thinking which in dealing with the problems of everyday living will enable pu-

pils to formulate their own points of view through systematic consideration of all facts and independent of efforts to coerce them into unthinking acceptance of any point of view.

8. An adequate supply of instructional tools and materials selected for their effectiveness in promoting the learning of pupils in the various school grades and subjects.

SENIOR CLASS OFFICERS AND ADVISERS

Highlighting our year is our senior class trip, which requires many hours of planning and preparation. Final plans are checked by Adviser Mrs. Mildred Metz, Linda Lilly, Treasurer; Morgan Bruck, Vice President; Carmen Pezzuto, President; Adviser Andrew Brock; and Historian Linda Yuhasz.

Two hundred and thirty-five students comprising the Class of 1965 brought life and spirit to the activities and events that became the newest part of our school's history

Senior classmen provided the experience and leadership to add another page in the sporting record book. Fifteen grid-ders playing their final game at Cottingham Stadium on Thanksgiving Day battled to win the Lehigh-Northampton League championship. Our class president, Carmen Pezzuto, advanced to the 1964

District XI wrestling semi-finals.

Not only did we excel in sports, but we also attained scholastic recognition when eight members of the class received National Merit Scholarship citations.

We have been well represented during the past three years in district, regional, and state music festivals.

Along with these outstanding students are those just as willing and eager to bring glory and honor to their school.

They are the students who displayed good sportsmanship and courteousness to students of other schools in competition with Nazareth Area High School. Working to sell tickets for the class play and organizing the class festival showed spirit and determination. These students, the backbone of Nazareth Area High School, will also be the backbone of our nation. The same drive, eagerness, and determination will help to build a better future for themselves and their posterity.

Commenting on our community, Miss Petri makes the following observation: "One of the first sounds I heard in Nazareth was the ringing of the Moravian Church bells which reminded me of the lovely carillons we have in Belgium and in my own country. I soon found that things are not so different from Germany."

In Memoriam

When Earth's last picture is painted,
And the tubes are twisted and dried,
When the oldest colours have faded,
And the youngest critic has died
We shall rest, and, faith, we shall need it—
Lie down for an aeon or two,
'Till the Master of All Good Workmen
Shall put us to work anew.

Rudyard Kipling

Miss Jean Clute shows Ingeborg how to place the finishing touches on her plan for her mosaic.

As part of the American education program, offerings in the Arts are made available for all students to enrich their lives and develop an appreciation for beauty and good taste.

Ingeborg Buse and our choir director Mr. Floyd Schlegel, discuss some last minute details concerning the music for the Christmas concert.

"Sprechen Sie Deutsch?" Ingeborg Buse, our exchange student, is often questioned in this manner. Ingeborg comes from Munster, Germany, a university city in the state of Westfalen.

When in Germany, Ingeborg attends the Freiherr vom Stein Schule. She must attend school six days a week from 7:45 a.m. to 1:00 p.m. Each school day consists of six class periods and no study halls—all studying is done at home. Some of her activities in Germany include sports—mainly swimming, theater club, music, choir, dancing lessons, and church activities similar to our Youth Fellowships. In her spare time she takes piano lessons and goes on hikes with her family.

Her father is a major in the Air Force and her mother is a housewife, for this is the custom in Germany. Her 15 year old brother Eberhard is still attending school.

Ingeborg has been living with Mr. and Mrs. Robert Houck, R.D. 1, Wind Gap, and is thoroughly enjoying her stay with us in our United States. Through our association with her, we have come to a little better understanding of our world and its peoples.

JOAN MESKO

We communicate and express ourselves through languages. The only way to correctly and intelligently express oneself is through good English usage. Our skillful and capable teachers try to help us accomplish this throughout our school years. In grade school we were taught English grammar. When we entered junior high school we continued our study of grammar, but we were also introduced to literature and creative writing. In senior high school we reviewed grammar, but we were greatly exposed to literature and writing.

Included in our competent English Department are: ELIZABETH S. SLOAT, who is in charge of the high school's publicity, was graduated from Lebanon Valley College with an A.B. degree and from Columbia University with a M.A. degree. Miss Sloat teaches senior English. VERNA C. TRIVELPIECE teaches sophomore English. She was graduated from Bloomsburg State College with a B.S. degree.

JAMES R. EVANKO, our new football coach, teaches English and American History. Mr. Evanko was graduated from Moravian College with a B.A. degree. LOIS W. CRAIG who teaches English and Reading was graduated from Gassboro State College with a B.A. degree. Mrs. Craig is in charge of the majorettes and is assisting with plans for our prom. ROBERT BAHR, first-semester sophomore English teacher, is in charge of the Blue and White. Mr. Bahr was graduated from Kings College with a B.A. degree and is connected with the intern-teaching program at Lehigh University. JOAN MESKO teaches junior English and was the directress of the Senior Class Play. J. FREDERIC KNECHT, junior and senior English teacher, earned his B.A. and M.A. degrees from the University of Pennsylvania. Mr. Knecht advises the Honor Society and is the coach for the Commencement speakers.

Social Studies is as wide as the world and as long as the history of man, including the millions of years before recorded history and into the foreseeable future. It is an attempt to help students to understand their relationships with their environment and with other human beings. To accomplish this expectation, the high school curriculum is divided into the following fields of specialization: World Cultures, American History, and Problems of Democracy.

World Cultures presents man and his institutions, his values, and his hopes as conditioned by his traditions and knowledge. The major areas of the world are explored in an attempt to discover these factors. BARRY BOYER, a graduate of Elizabethtown College with a B.S. degree, and RICHARD SCHMOYER, a graduate of Kutztown State College, B.S., and New York University, M.A., guide our voyage of discovery. Mr. Boyer is the varsity basketball coach. Mr. Schmoyer advises the COMET and the Stagecraft Club.

Future Through the Social Studies

American History explains the traditions and values of our homeland, building an appreciation and understanding of those forces that have built the 'United States of America into the foremost position' it holds in the world today. MRS. MIRIAM ZELL, a graduate of Susquehanna University with an A.B. degree, W. DENNIS KRAUSS, a B.A. graduate of Ursinus College with graduate work at Lehigh University and JAMES EVANKO, a graduate of Moravian College with a B.A. degree, are instructors in this field. In addition, Mrs. Zell advises the Dramatic Club. Mr. Krauss is adviser to the Political Club and assistant track coach. Mr. Evanko is varsity football coach.

Problems of Democracy places the modern world at the students' grasp and asks them to evaluate the happenings of the moment and their responsibility in them. QUENTIN E. ZELL, with a B.A. degree from Moravian College and a M.A. degree from Lehigh University, and W. DENNIS KRAUSS establish the hypothesis and allow the students time to work out the proofs. Mr. Zell also advises the Chess Club and the newly-formed Stamp Club.

Mrs. Miriam Zell tests an American History class on their homework assignment by giving them one of her frequent quizzes.

"We the People of the United States . . ." Mr. Dennis Krauss conducts an informal discussion on political theory during a Problems of Democracy class.

The Political Club conducts research on one of the many club projects conducted during the year. An extracurricular activity, the Political Club supplements the Social Studies courses.

RUTH McGONIGLE

JOAN MESKO

As the countries of our world are drawn closer together because of the expansion and great improvement in communications and transportation, languages are becoming increasingly more important. Now, more than ever, we must educate ourselves to understand and converse with foreign peoples. For this purpose, the Nazareth Area schools offer courses in Latin, German, and French.

Latin II is taught by MRS. RUTH McGONIGLE, who also teaches German II and III and acts as adviser to the Delphian Chapter of the National Honor Society. She received her A.B. degree from Ursinus College and attended the NDEA German Summer Institute at Albright College this past year. MISS URSULA PETRI, our German exchange teacher, instructs the German I classes. Miss Petri was graduated from Georg-August Universitat at Gottingen, Germany.

All French classes are instructed by MISS JOAN MESKO, who also teaches junior English and directs the senior class play. Miss Mesko earned her B.A. degree from Moravian College. Third year study in French has just been added to our curriculum.

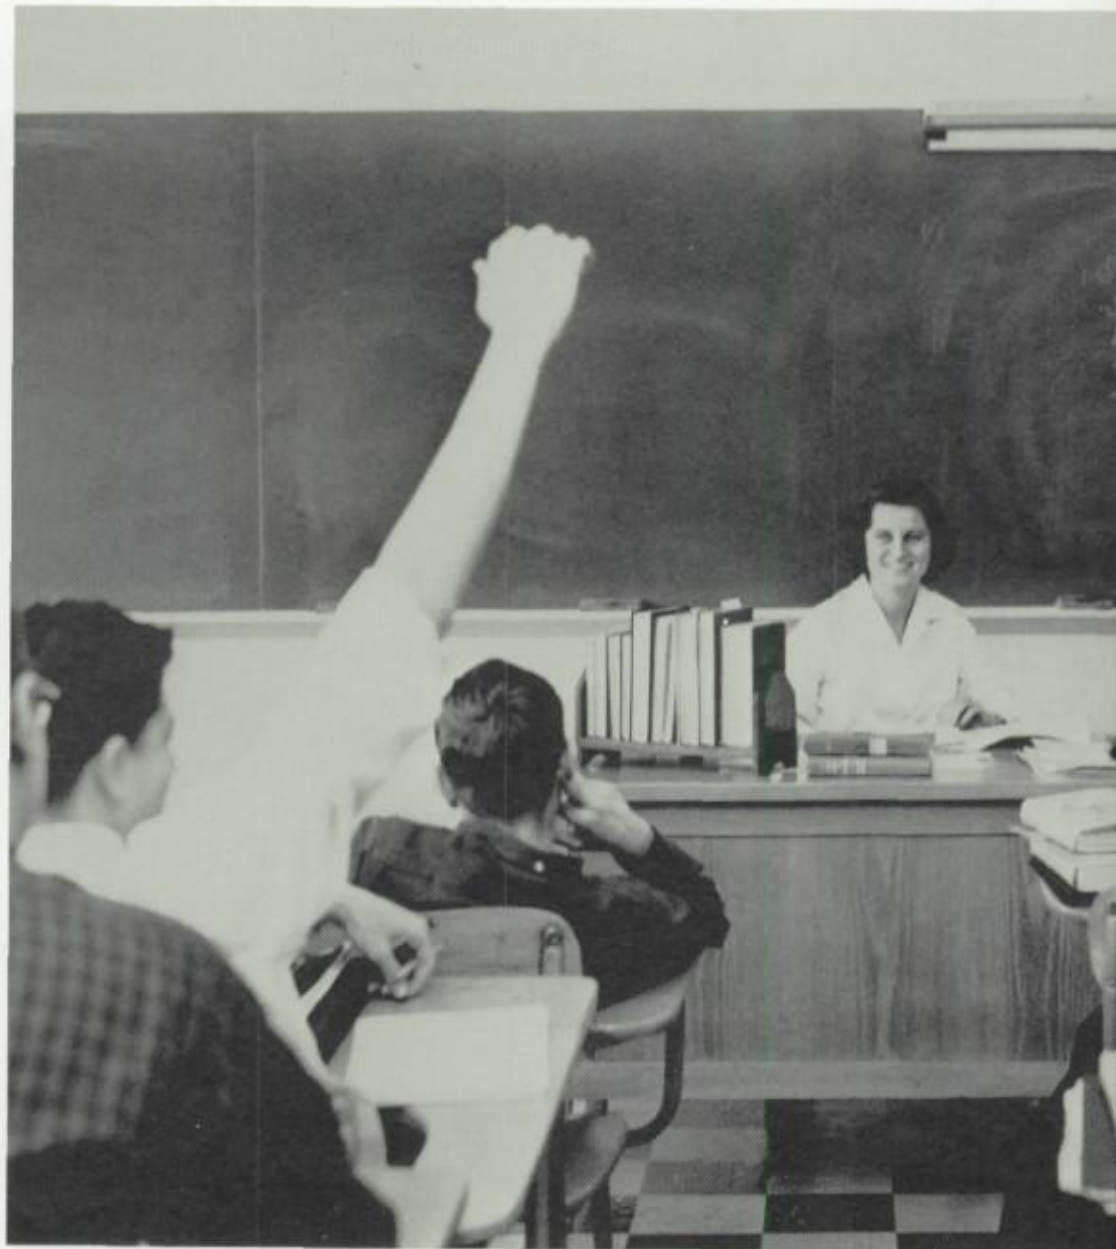

MISS CAROL ANN MANN, the school's very capable librarian, directs all the activities in our well-equipped library. The library provides foreign magazines to stimulate an appreciation for the foreign languages. Miss Mann received a B.S. in Education degree from Kutztown State College. She acts as adviser to the Library Assistants Club.

In the Present Future Business

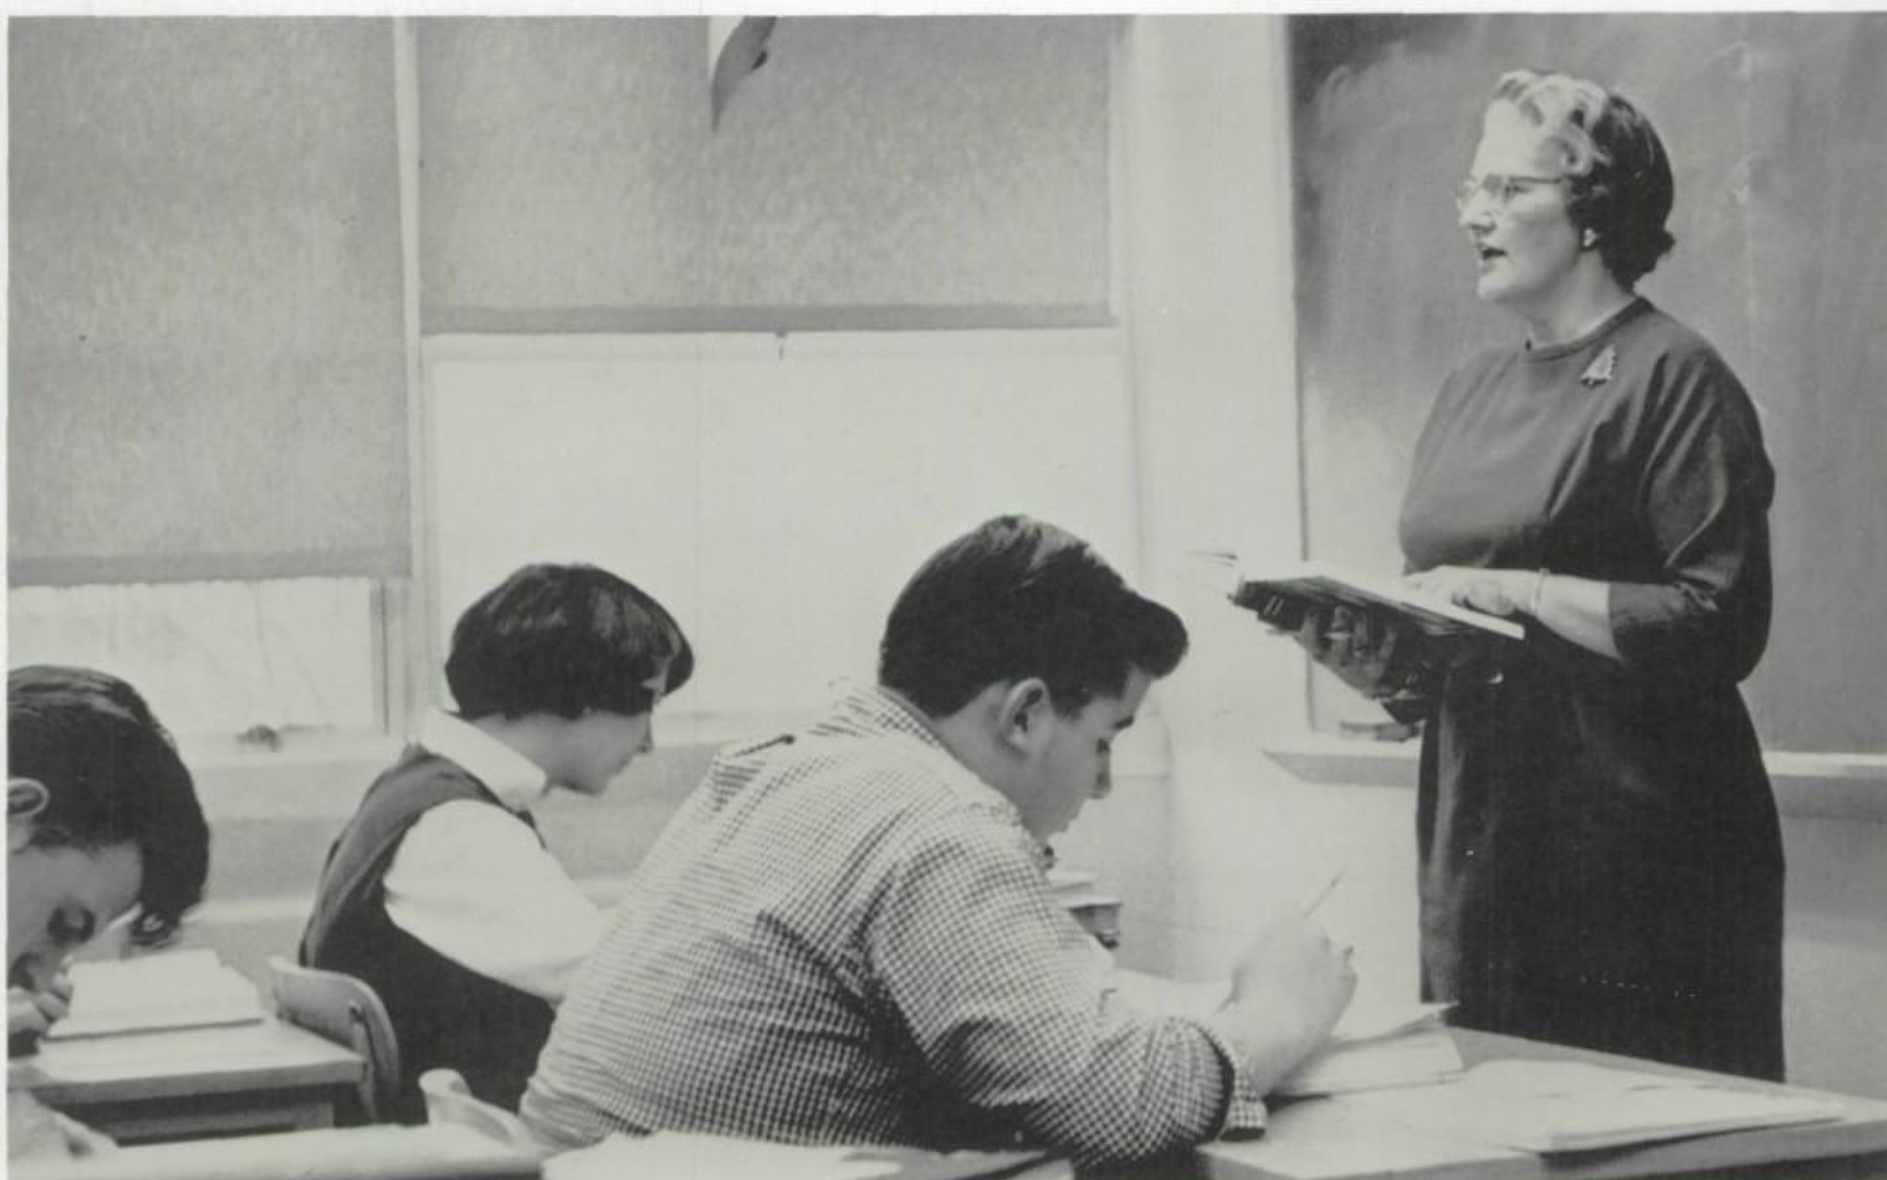

One of the main objectives in Advanced Typewriting is to develop in the pupil the knowledge, skills, and habits that are incidental to his success in a business office.

Business Education serves two important functions in the life of its student: first, the non-vocational which develops an understanding of the basic principles of business so that the students may carry on their personal, community, social, and civic responsibilities in a more prudent and intelligent manner; and second, a vocational education which provides the student with fundamental business skills and knowledge.

Typewriting I and II introduces the student to the operation and use of an office machine, the development of speed and control, and the techniques and experience comparable to office experience. MRS. BELVA S. KOLESSAR, with a B.S. degree awarded by Rider College, instructs Typewriting I and II, and EVELYN M. KILPATRICK, a graduate of Bloomsburg State College, instructs Typewriting I. Mrs. Kolesar advises the business staffs of both the COMET and the Blue and White Standard. Miss Kilpartick is the Choral Concert Coordinator.

Business Arithmetic reacquaints the student with the fundamental principles of arithmetic and develops speed and accuracy in handling them. Mrs. Mildred Metz and Miss Kilpartick guide the student toward the ability to estimate the common sense of an answer.

In addition to presenting a background for the handling of bookkeeping accounts for both a partnership and a corporation, Mrs. Mildred Metz also strives to develop in her Bookkeeping students an appreciation of the opportunities of accounting as a vocation.

We Prepare for Business Opportunities

Shorthand I and II has as its aim the reading and writing of shorthand characters for use in dictation and transcription acceptable to the needs of the businessmen and companies in the area. Office Practice offers the opportunity for students to perform routine office duties

and become acquainted with office machines commonly used in the business office. MRS. VIRGINIA R. GRAVER, a B.S. graduate of Syracuse University with a M.A. degree from New York University, is responsible for these offerings.

General Business provides a series of projects to intensify the business information presented and the ability to use it, along with developing a vocabulary of business terms. Consumer Economics attempts to develop in the student a system of intelligent spending in order to raise his standard of living. Salesmanship and Record Keeping was introduced this year to train the student the value of planning and forecasting his life. MRS. A. JANE JARRETT, a graduate of Bloomsburg State College, is responsible for these three offerings. Mrs. Jarrett also manages the Magazine Campaign

and is adviser to the Sophomore Class and the Honor Society.

Bookkeeping I and II is arranged to familiarize the student with the primary types of business organizations, business activities, and business practices, and to develop habits of accuracy, independent thinking, legibility, promptness, and thoroughness. MRS. MILDRED O. METZ, a graduate of Rider College with a B.S. degree, grooms us in these areas of Bookkeeping. Mrs. Metz is also one of the advisers to the Senior Class.

To Enhance With Workman Good

The Homemaking department plays a very important role in helping girls in many ways to prepare for their future homes. In the Home Economics classes the girls learn to use various fabrics and to make wise choices in the selection of materials. In cooking classes they prepare new and delicious recipes. Classes are held in child care, family relations, and finances, housing problems, and home management. These topics are explored in great detail in the hope that the girls will find it easier to become successful homemakers.

The objective of the Art Department is to bring out creativeness in students. Students work with oil paints, water colors, inks, clay, tiles, glass, and many other materials. Each year students compete in the Chrysanthemum Poster Contest and exhibit many of their paintings and drawings in the display cases in the school lobby.

Industrial Arts and Mechanical drawing classes instruct the boys in creating and constructing graphic representations of a wide variety of projects. In the shop area, manuals are used to discuss the safety rules for the operation of machinery. In the wood shop, wooden bowls, tables and table legs, lamp bases, gun cabinets, book cases, are some of the many projects made in a variety of woods of cherry, cedar, maple, spruce, white pine, and red wood. Boys work with the table saw, band saw, jig saw, jointer, planer, and belt sander.

In the metal shop, gear shift knobs, metal stools, and frames are made. Mechanical drawing instructs boys in graphic representation. Lines and symbols are used to make these representations. Some instruments used to produce these drawings are the T square, triangle, measuring scale, compass, ruling pens, bow pens and pencils, and the drawing board.

MISS JEAN B. CLUTE teaches Art and Arts and Crafts. She is a graduate of Philadelphia Museum College of Art with a Bachelor of Fine Arts in Education. Miss Clute has earned an equivalent of a master's degree.

MRS. JUDY M. KEHLER is our Home Economics teacher. She was graduated with a B.S. in Home Economics from Indiana State College, and sponsors the F.H.A. club.

JOHN ROANOKE teaches Industrial Arts and Mechanical Drawing. He is adviser to the Stagecraft Club and is assistant football and baseball coach. Mr. Roanoke earned a B.S. degree at Millersville State College.

Three of the Cardinal Principles of Education are "Health," "Command of the Fundamental Processes," and "Worthy Use of Leisure Time." In the Nazareth Area Senior High School, we attempt to fulfill these principles by the offerings of Health, Physical Education, and Driver Training.

Health is concerned with the developing within the student an appreciation of good living habits as adopted from scientific health knowledge. RAYMOND NUNAMAKER, a graduate of Penn State University with a B.S. degree, and JAMES M. ROTH are responsible for this offering. Mr. Nunamaker is varsity wrestling coach.

RUTH ANN McCAY, a graduate of Penn State with a B.S. degree, and Mr. Nunamaker guide the students through this endeavor. Mr. Leh is varsity baseball coach, sponsors the boys' intramural basketball, and is our Athletic

Director. Mrs. McCay sponsors girls' intramurals, is cheerleader coach, and girls' basketball coach.

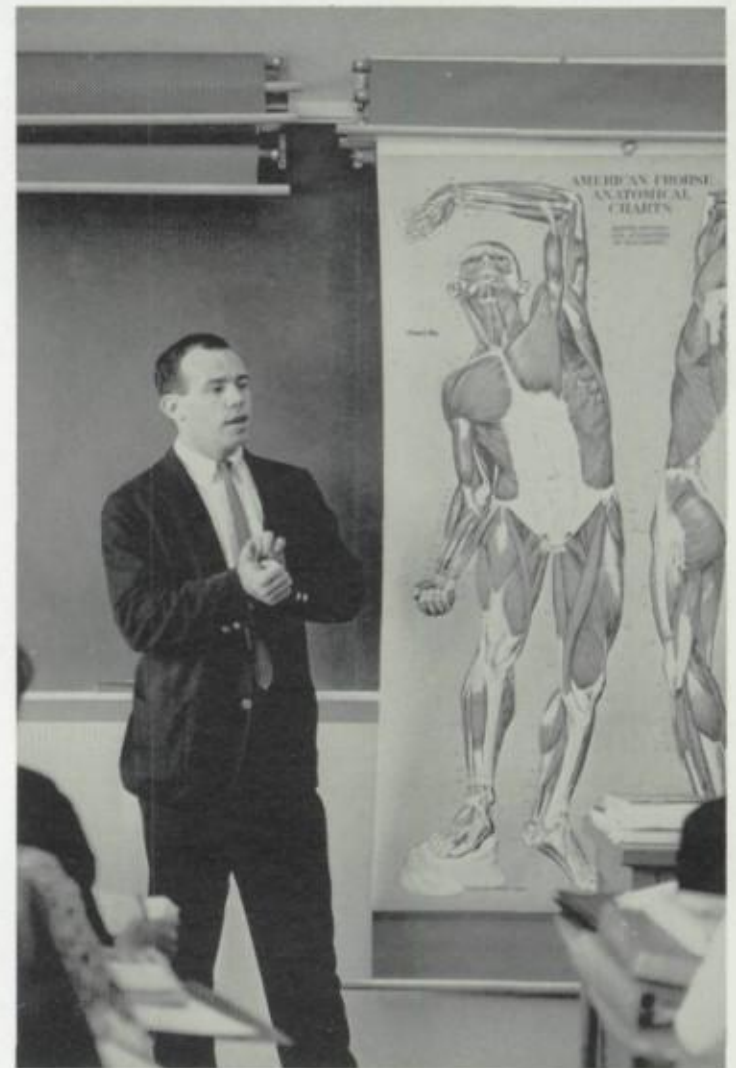

Driver Education theory includes discussion about the mechanics of the automobile as well as the proper attitudes of a safe driver. Practice includes actual behind-the-wheel experience in the operation and appreciation of the vehicle. GUY OWENS, a West Chester State College graduate with a B.S. degree, directs the students toward safe-driving habits. Mr. Owens is also our head junior varsity football coach.

Dramatic Club is organized so members can gain a better understanding of dramatics and its effect upon the world, and with the hope to develop individual talents.

Activities are many and varied. Members attend plays, produce and write plays, and finally present their efforts to the student body. The art of make-up and stage design are practiced; the parts of a stage are learned, and an attempt is made to improve actual acting.

The major project of this year's Dramatic Club was presenting the play "Did You Say Mink?" which was given in an assembly program.

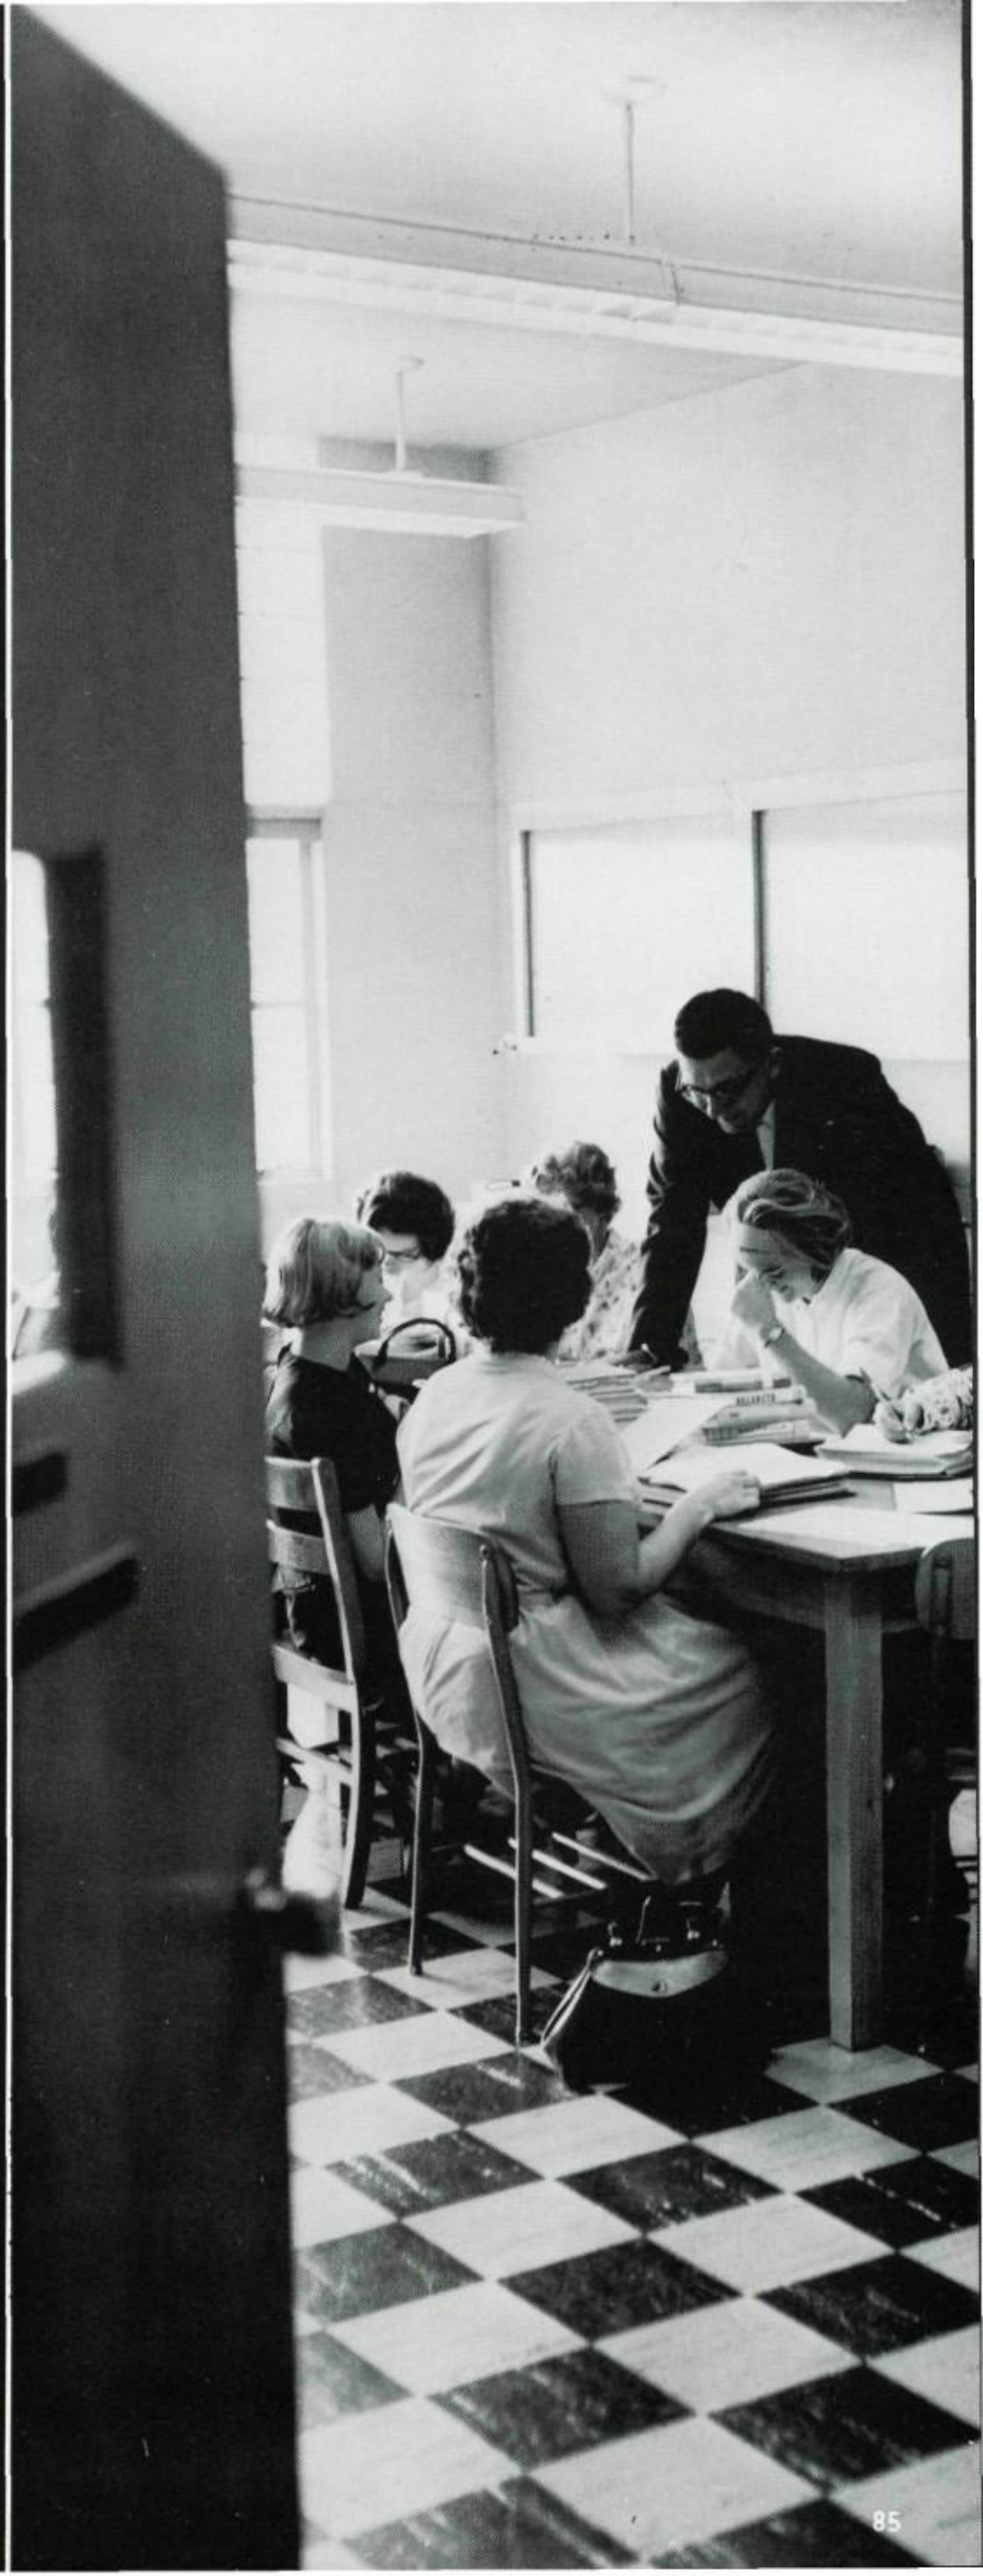

Adviser to the Club is Mrs. Miriam Zell. This year's officers were Nancy Nagle, President; Helen Fogel, Vice President; Donna Spangler, Secretary; and Nadine Happel, Treasurer.

Pandemonium breaks loose at the end of the campaign speech of Dennis Kingcaid, representing Lyndon B. Johnson.

Student Preference Forecasts

Every four years the people of the United States select a president. By tradition, this man shall come from one of the two political parties predominant in our land. In the summer of 1964 these two parties met in nominating conventions and selected their respective candidates—the Democrats chose Lyndon B. Johnson; the Republicans Barry

Goldwater.

Thursday, October 22, 1964, saw the campaign and its emotions come to Nazareth Area Senior High School under the auspices of the Political Club and its adviser Mr. Dennis Krauss.

Bruce Fry, Edward Gable, and David Cawthon anticipate the proper moment to throw their support behind the campaign speech of Gerald Wolfe, who represents Senator Barry Goldwater.

Banners waving, the Goldwater forces prepare to demonstrate for their candidate.

David Altemose and the band build spirit during the demonstration for candidate Johnson.

Presidential Victor

The Democratic candidates were represented by Dennis Kingcaid and Tom Muschlitz, the Republican candidates by Gerald Wolfe and Bruce Brong. The next day an election was held in which 601 votes, out of a possible 666 registered, were cast. The Johnson-Humphrey ticket gained a plurality of 339 votes.

ROW VII: William Kehoe, Joseph Rampulla, Barry Lieberman, David Altemose, Glenn Kratzer.

Nazareth Area High School's Student Council is one of the most important school functions as it establishes the rapport between students and faculty. The Student Council is active in various ways around school: preparing the handbook which guides students during those hectic first weeks of school; selecting Boys and Girls of the Month who typify the type of leader of which our school is proud; scheduling assemblies for the year; and planning our frequent dances. Advised by Mr. Robert Reichard and Mrs. Margaret Ruch, the council is a student function worthy of much student support.

Members of Nazareth's Delphian Chapter of the National Honor Society are chosen on the basis of excellence in character, leadership, scholarship, citizenship, and service. Juniors who achieved at least a 90% average in their sophomore year's work are eligible for membership in the society, as well as seniors who achieved at least an 88% in both their sophomore and junior years. Seniors who achieve an 85% in the first semester of the senior year are also eligible. Members are inducted at the annual Honor Society banquet.

"I do solemnly promise that I will uphold the honor of our school and Student Council." Larry Bittner repeats the pledge presented by principal F. C. Benfield as he is installed as Student Council president in the induction ceremony.

As a reward for their diligent efforts in behalf of the Magazine Campaign, the staff is annually treated to an ice cream party by the company representative. Above Susan Edelman, Sandra Jones, Linda Lilly, and Sally Semmel are enjoying this reward.

Juniors Present Paradise Park May 15

Musical accompaniment for a perfect spring evening provided by Vincent Pettinelli and his orchestra.

"In the spring a young man's fancy turns to thoughts of love." What better place is there to take a girl in springtime than to a park?

Juniors captured the beauty of springtime in "Paradise Park," the 1964 prom. After weeks of sacrificing homework to making flowers and sewing cloth for decorations, juniors transformed the gymnasium into a veritable park. The old-fashioned setting was enhanced by gas lamps, evergreen trees, and a band shell, from which the orchestra played. A fountain illuminated with colored lights was surrounded by trees. A throne was settled among flowers on a grass-covered hill waiting for a queen to compliment its beauty.

Decorations, however, were not the only beauty of the prom. All the work that went into Paradise Park would have been wasted without people to populate it, and make it live. The boys in tuxedos and the girls in gowns were soon filling Paradise Park with pinks, blues, blacks, whites, and yellows. Vincent Petinelli and his orchestra provided music while the movements of gowns soon added their own beauty to the scene.

Every springtime must have its May Queen, and Paradise Park was no exception. At ten o'clock Junior Class President Terry Hunt mounted the hill and suddenly the park and its people became quiet, expectant. President Hunt announced the queen's court—Gail Sensenbach, Diane Quinter, Becky Baltz, and Linda Ritter. Having presented the court, Terry then called for Cynthia Chumas and named her Queen of the Royalty of Paradise Park—Prom Queen for 1964.

Our party in Paradise Park lasted until midnight, when we deserted her for fairer pastures, taking with us only the memories of our wonderful introduction to spring.

During a pause for refreshments, David C. Fehr samples the punch served at Paradise Park.

Miss Joan Mesko, directress of "The Eyes of Tlaloc," performs some of her last-minute duties as she transforms David Altemose into the "Professor."

During one of the first rehearsals of Act III, Morgan Bruck, Carter Siegfried, Scherrie Mucha, Mary Ellen Fry, and Cindy Dech read their lines as they coordinate speaking and placement.

Cast members take time out from rehearsal to discuss some last minute changes in presentation. Pictured is Cynthia Dech, David Kern, Mary Ellen Fry, Rodney Fogel, Steven DeRea, Wayne Dotta, Nadine Happel, Carter Siegfried, Morgan Bruck, Linda Letson, and David Altemose.

Seniors Present 'The Eyes of Tlaloc.'

November 21, the last performance of "The Eyes of Tlaloc," climaxed a month and a half of learning lines, sacrificing football practice for rehearsal, losing play books, and hard work. All who were in the play or on one of the committees learned what it is to memorize chemical symbols and lines at the same time, and how to pack supper as well as lunch.

Students selected after two long tryouts began to be initiated into the acting world immediately. Spanish and Southern girls had to develop accents, Nawa the Indian had to learn a weird laugh, and Nancy had to learn to simulate

hysterics. While rehearsals were going on, the Stagecraft Club was busy setting up the scenery and making a Tlaloc idol, and art students painted the mural of Tlaloc.

In the last few weeks before the play, rehearsals became frenzied. As the Stagecraft Club pounded nails and painted scenery, property committees produced last minute props, and students experimented to make Tlaloc's wail. Though it seemed that the cast would never be ready to perform, November 19, dress rehearsal, went smoothly, and the "Eyes of Tlaloc" was a huge success.

"... and sometimes you hear footsteps in the passage back yonder." Morgan Bruck tells a terrified David Altemose about some of the strange happenings around the Rancho de los Alamitos.

The TREBLE CLEFS is a new group in our Choral Music Department. Mary Ellen Fry, Susan Brobston, and Sara Granda compose this trio. They are accompanied by Cheryl Fry. The trio has performed at various school activities and many out-of-school functions.

Our BARBERSHOP QUARTET, the "Varsity Four" have made many appearances at social and service clubs throughout the Nazareth Area. Members are Joseph Rampulla, bass; Rodney Yeakel, baritone; Gary Wagner, lead; and Alan Goodhard, tenor.

FLOYD E. SCHLEGEL

FLOYD E. SCHLEGEL, director of all the Nazareth Area Senior High School's choral groups, was graduated from Penn State University where he earned B.S. and M.Ed. degrees. Mr. Schlegel teaches music theory, music appreciation, and gives instruction on the organ.

Approximately 250 students take part in our choral program. A Christmas and a Spring Concert are presented every year. Both concerts are always received enthusiastically by a full house. The Christmas Concert centers around songs of sacred nature, and the Spring Concert features secular songs. The choral groups also participate in school programs. Every year "The Nativity," a part of the Christmas Concert, is presented to the entire student body at our annual Christmas assembly. Choral members, aided by the Brass Ensemble, lead the students in the singing of traditional carols. Students do all the accompanying for all the choral groups.

Linda Yuhasz, John Schaefer, and Melvin Messinger rehearse for their presentation in the Christmas program.

Members of the PEP BAND Robert Bowers, Ronald Yeakel, John Strike, and Charles Diener provide entertainment between game time throughout the basketball season.

During the Wilson game on Thanksgiving Day, the band leads the fans in cheering the Blue Eagles on to victory and the Lehigh-Northampton League championship.

James Schleicher, Franklin Buss, and Neal Wolfe, featured soloists in the halftime routines during football season.

With a lot of hard work, the band had another successful year. Every Tuesday and Thursday morning they could be found planning precision moves on the football field or diligently rehearsing their music in the band room.

Five members of the band represented our school at the District Band Festival held at Brandywine Heights Joint High School, Tipton, Pennsylvania, on April 1, 2, and 3. These representatives were Nadine Happel, Loretta Christman, David Altemose, Bruce Winters, and Rodney Gruver. From these people the Region II Band members were selected also by competition points. Region II Band was held on April 22, 23, and 24 at Bangor High School, Bangor, Pennsylvania.

District Orchestra members were selected in the same manner as District Band members. Three students were selected to represent our school at District Orchestra held on January 14, 15, and 16 at Saucon Valley High School, Leisport, Pennsylvania. Kay Wunderly, David Altemose, and James Schleicher were our representatives.

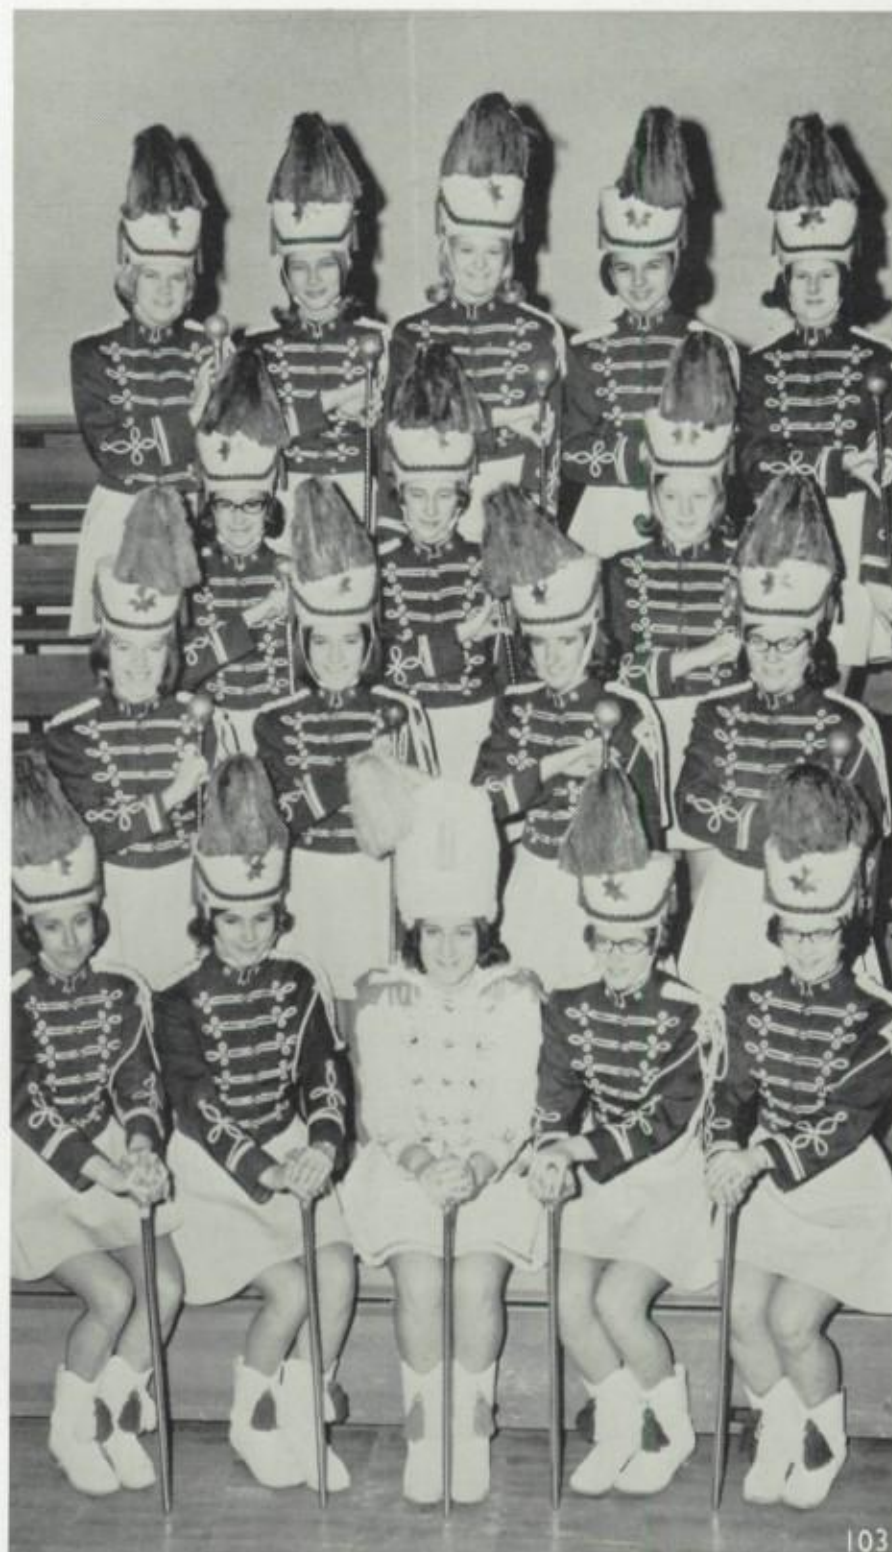

Our band was also privileged to play at the Nazareth-Parkland basketball game on February 27, for the Lehigh-Northampton League Championship. The majorettes, headed by Elizabeth Mirakovits, did a snappy routine to the tune "Cotton Candy"

A new addition to the music department, the Pep Band consists of four band members who entertain the fans at basketball games at halftime. They also helped the cheerleaders in boosting our teams on to victory.

Mrs. Lois Craig, a teacher in our English Department, is the majorettes' new coach. She helps the girls make up new parade routines and advises and demonstrates the promulgation of many twirls.

New recruits from the junior band will fill the vacancies created by the 20 seniors who will be graduating in June.

PEPPY MAJORETTES, who provide entertaining routines and precision drills are: ROW I: Janis Johnson, Rebecca Doyle, Elizabeth Mirakovits (Head Majorette), Susan Fischl, Cheryl Fry. ROW II: Donna Bucchi, Linda Houser, Beverly Koch, Linda Faustner. ROW III: Jane Smith, Karen Schisler, Rosemary Behler. ROW IV: Iris Wilson, Susan Edelman, Maureen Koehler, Joan Kazmakites, Cynthia Schaffer.

Comet Staff

The 1964-65 COMET staff has been reduced from 23 to 12 this year, consisting of 11 seniors and 1 junior. Each member of this smaller staff had to assume more responsibility.

The co-editors, having planned some of the layouts during the summer, hustled the staff to work as soon as school began in September. Our first project as a whole group was to decide on a cover and a theme. Our own photographer, Dan

Ruth, began taking pictures. Each staff member had his own assigned section to develop: Layouts, pictures, captions, and copy. In addition, each solicited a part of the advertisements necessary to finance the COMET. Every deadline found us working frantically, looking forward to the day of rest afterward. To insure that the typing on the completed pages was correct, the last stage of our work was to proofread the copy.

Donna Meyers has her copy checked by Adviser Richard Schmoyer.

SENIOR MEMBERS OF THE VARSITY

Seniors making their final gridiron appearance in the Nazareth-Wilson game held at Cottingham Stadium, Easton, on Thanksgiving Day are: Michael Tarnock, Larry Bittner, Keith Reimer, James Hinkel, John Scobo, Rodney Fogel, Barry Gradwohl, Carmen Pezzuto, Gary Wagner, William O'Bryon, Stanley Zurowski, Bruce Stimmel, Stephen Beck, and Stephen DeRea.

The scoreboard of the Nazareth-Wilson game shows the climax of an exciting season with a coveted victory over arch-rival Wilson. This success clinched the first Lehigh-Northampton League championship for our Blue Eagles in eight years.

The Nazareth Blue Eagle football team, making their debut under new head coach Jim Evanko in Liberty Stadium, Bethlehem, bowed to a tough Governor Mifflin team 9-6.

Nazareth scored first in the second quarter sparked by a pass interception by Mike Tarnock. Tarnock returned the interception for 18 yards. A Jerry Lilly-to-Rick Metz reception moved the ball to Mifflin's 17 yard line. After three running plays, quarterback Jerry Lilly carried the ball over for Nazareth's only score.

Governor Mifflin came back in the third quarter and scored 7 points. With little time remaining in the game, a Mifflin tackler caught a Blue Eagle in the end zone for a 2 point safety, clinching the game.

In the first Lehigh-Northampton League game against Hellertown, Blue Eagle Herb Fries raced 95 yards to give Nazareth a 6-0 win. Harold

Kahler set up this only score of the game with his second interception of the game on the Nazareth 3. A great defensive battle between both teams thwarted all other drives.

In the following game Nazareth was blanked 20-0 by an unbeaten and unscored upon Lehigh team.

In Bethlehem's Liberty Stadium Whitehall scored a 7-0 win over the Blue Eagles on a 68-yard touchdown run. This early third quarter score ended the long defensive battle. In the remaining time of the game, Nazareth was unable to score.

Playing again in Liberty Stadium, the Blue Eagles surprised Parkland with a 24-0 win. Jerry Lilly passed for two touchdowns as Nazareth capitalized on two interceptions and a fumble recovery to bury the Trojans.

Coach James Evanko gives halfback Herb Fries pointers for the next play during the Wilson game.

End Terry Jones snares a long pass from Lou Schrenko during the exciting Turkey Day classic.

Nazareth's first score came in the opening quarter when Lilly hit end Terry Jones on a 14-yard pass play. Nazareth's next score was set up by Lilly recovering a Trojan fumble. Lilly later connected with Ken Shiffert on a 17-yard passing score. The Eagles got their third score early in the fourth quarter when Mike Tarnock busted over from the one-yard line. A 34-yard pass from Richard Judd to Shiffert set up the Blue Eagles' final score. Herb Fries capped the drive with a 2-yard plunge.

In the next game with PenArgyl, Nazareth was turned away 39-20. The Blue Eagles opened the scoring with a blocked Knight punt by Barry Gradwohl. End Stan Zurowski picked up the ball and raced 10 yards for the score. Nazareth's second score came on a Jerry Lilly-to-Terry Jones 22-yard scoring pass. Three PenArgyl second quarter scores made the half-time score 19-13. In the third quarter, Blue Eagle Gary Wagner recovered a Knight fumble to set up Nazareth's last score. Staying on the ground, Lilly pushed it over from the 2-yard line. PenArgyl clinched the game in the fourth quarter by scoring 20 points.

Nazareth bowed to Northampton 12-7 in a non-league game. Har-

old Kahler's 34-yard run put the Blue Eagles in scoring position. Rick Metz scored Nazareth's only touchdown on a 15-yard run. Northampton won with a late fourth quarter score.

In the next game Nazareth and Bangor fought to a scoreless stand-off. The Blue Eagles' only threat was a 51-yard run by Rick Metz. Bangor, however, failed to score from the 3 when time ran out.

In the following game, the Blue Eagles scored a 13-0 victory over a stubborn East Stroudsburg team. Bruce Stimmel, senior halfback, scored both Blue Eagle touchdowns and accounted for 63 yards in 14 carries to lead the Nazareth attack.

In the annual Thanksgiving Day game, the Blue Eagles of Nazareth gave first-year coach Jim Evanko the Lehigh-Northampton League crown with a 6-0 victory over rival Wilson. Gail Smith's 41-yard touchdown jaunt provided the Blue Eagles with the winning score. Stan Zurowski's Warrior fumble recovery set up the score. Nazareth threw up a solid defense headed by senior guard Carmen Pezzuto. The Warriors were stopped four times inside the Nazareth's 10-yard line by the tough Eagle defense. The Blue Eagles ended the season with a 4-1-1 league season record.

Eagles Gain Second Straight Championship

1965 proved to be another successful year for Varsity Coach Barry Boyer and his Blue Eagle Cagers.

The Eagles clinched their second straight championship in the Lehigh-Northampton League's Northern Division by tripping Bangor in the final league contest. This brought their total number of League wins to 14.

Defeating the Hillers 62-51 extended Nazareth's win streak to 26 and later to 27 as the hoopsters downed East Stroudsburg 81-28.

Good defense, fine passing, and teamwork have made Nazareth fans proud of their

team. Even after their first League defeat by Parkland and the termination of their long win streak, the Eagles displayed good sportsmanship, and in the next League game got back in the winning groove by defeating Pen Argyl 69-58.

The Cagers then had an easy victory over Wilson to secure a Division title tie, and romped over Hellertown 73-56 for their thirteenth League win.

Nazareth trimmed Southern Lehigh with a 72-40 victory, displaying the fast break and perfected foul shooting, and defeated Pocono Mountain 80-32, keeping the Moun-

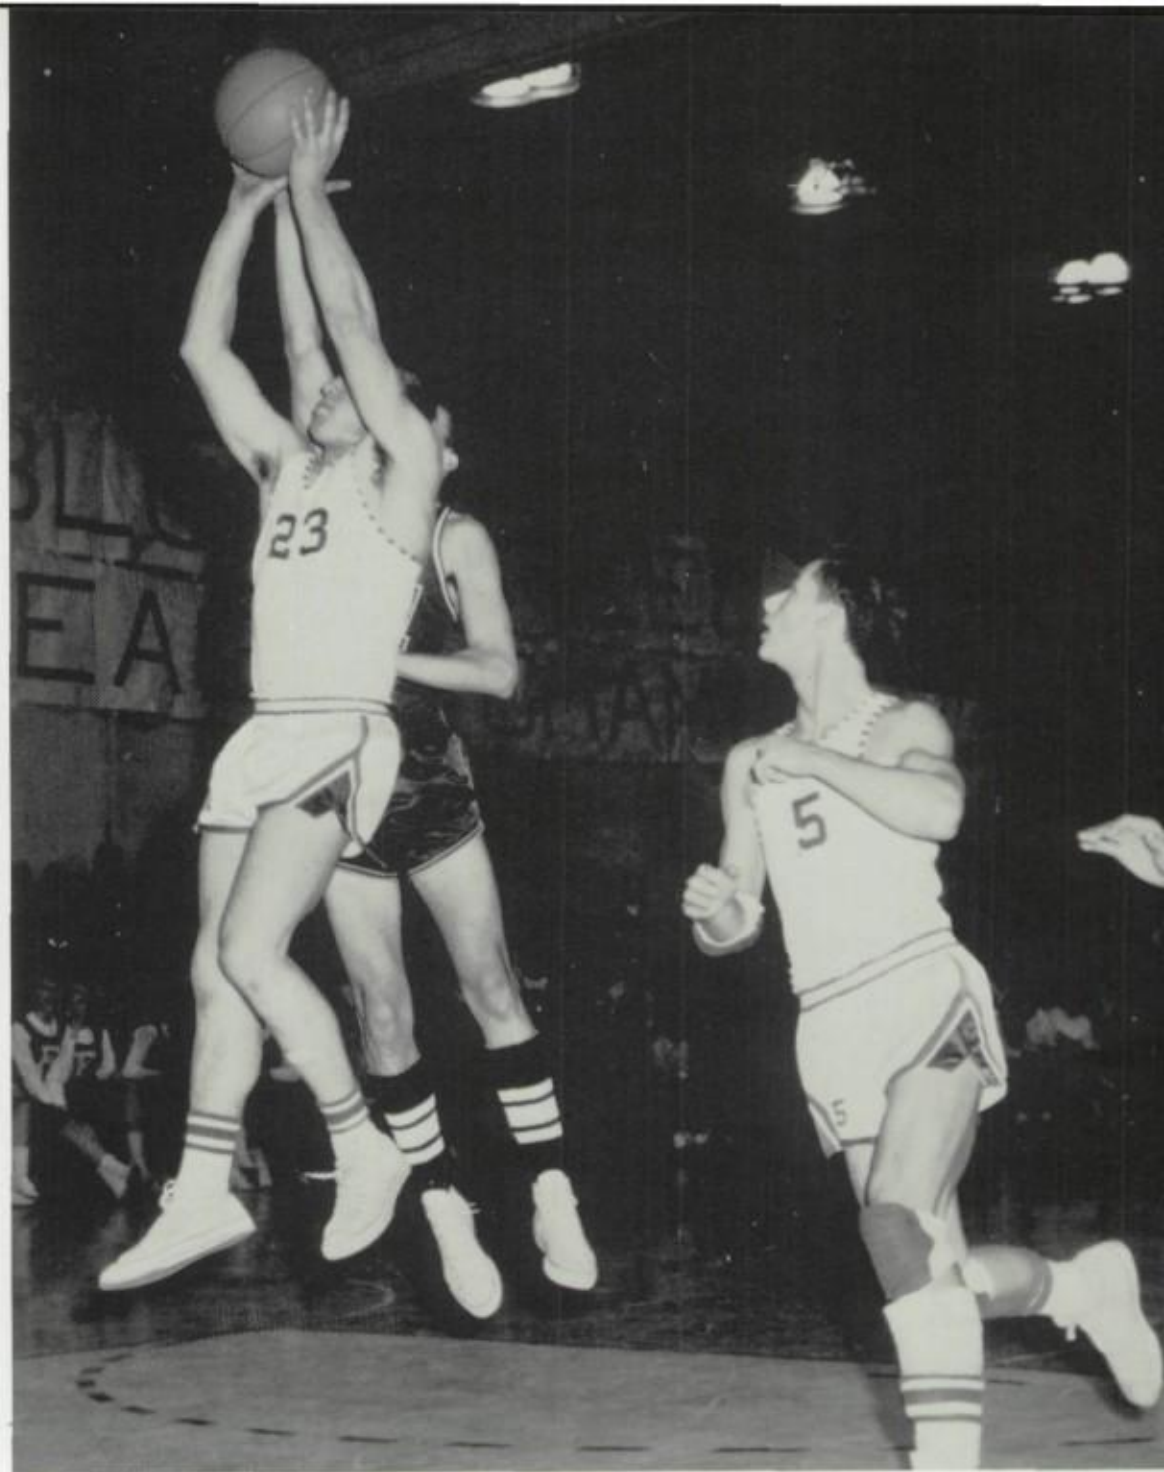

taineers 25 points behind at halftime.

Coach Boyer will lose 7 seniors who have set the pace for the Eagles and made up the nucleus of the team—Bruce Fry, Terry Hunt, Craig Harding, Stanley Zurowski, Ed Christman Jr., Jim Hinkel, and James Wolfel. Despite this loss, Mr. Boyer feels the returning varsity lettermen and junior varsity reserves will fill the gap.

The JV team under Coach Marlyn Roth also had an impressive season. They triumphed over Palisades with a 76-21 victory and kept the junior Pirates from scoring in the first 13 minutes of the game.

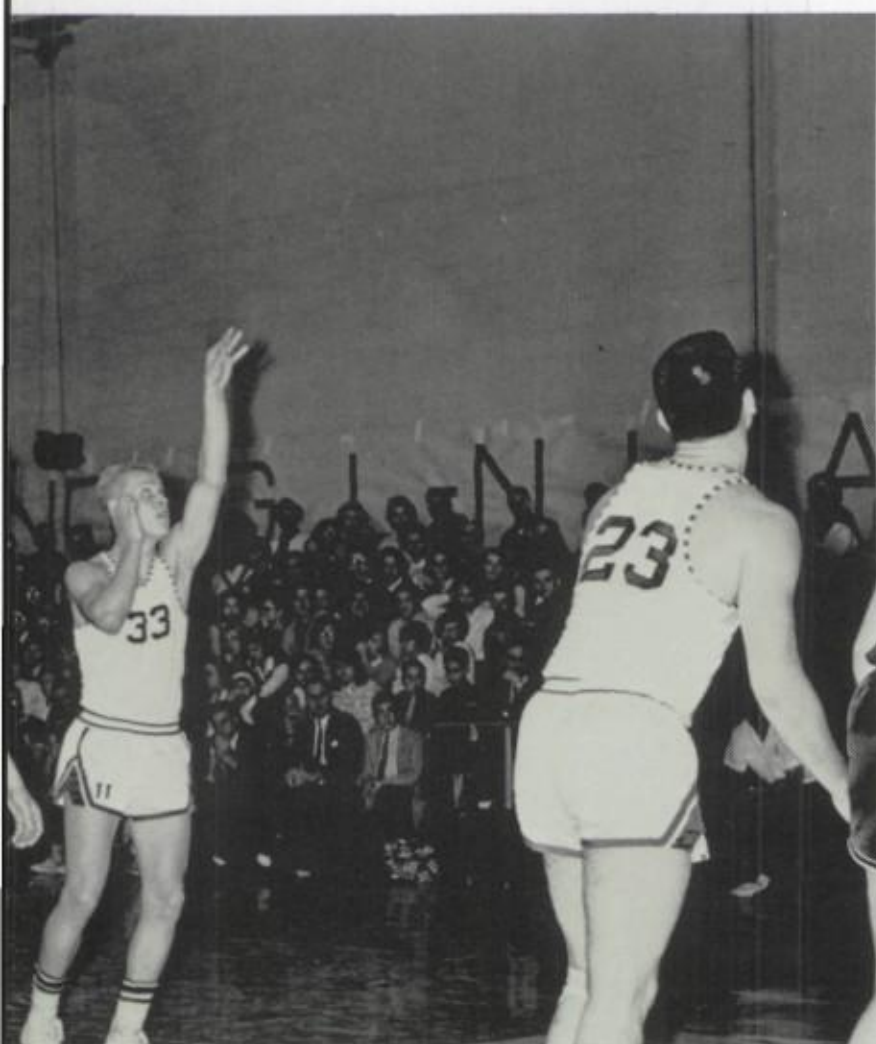

Laying it in for a basket, Craig Harding scores on the fast break.

Bothered by a Fountain Hill player, Ken Shiffert still manages to get a successful shot away.

With 6-4 Record

The Nazareth Girls' Varsity Basketball team ended up with a 6-4 season and held third place in the Lehigh-Northampton League. The team was coached by Mrs. Ruth Ann McCay. This was Mrs. McCay's first year as coach of the girls' team, and she was pleased with the results.

The team had five returning lettermen: Julianne Deutsch, Susan Fischl, Sandra Jones, Linda Lilly, and Emily Seyfried. Emily was unable to play after two games when she dislocated her shoulder. The starting line-up usually consisted of the five lettermen plus Dandie Marsh and Karen Koehler.

The season opened successfully with a victory over Pen Argyl on our home court. The girls traveled to Southern Lehigh to suffer their first defeat. They lost the next two games to Wilson and Bangor. Nazareth was back in the winning by defeating Fountain Hill, Pen Argyl, and Southern Lehigh in the next three contests. Then the team traveled to Wilson, the League's first-place team this year, for its fourth and final defeat. The season ended with an exciting one-point victory over Fountain Hill on the Hiller's home court.

Next year's team will have three returning lettermen: Lorraine Abel, Kay Frantz and Dandie Marsh.

Managers of the 1965 team were Suzanne Weisel, Carol Ann Rinker, and Linda Eckhart.

XI FINALS

COACH RAYMOND NUNAMAKER

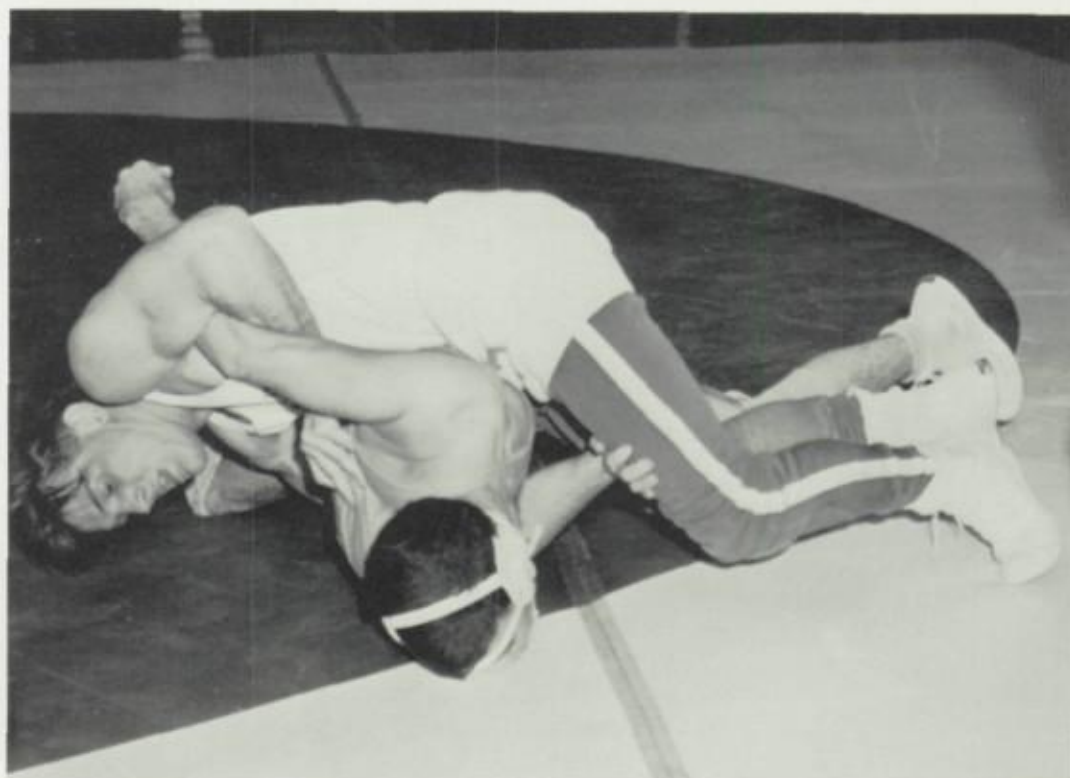

Head Coach Raymond Nunamaker, a former Penn State wrestler, has boosted wrestling to an all-time high at Nazareth. Mr. Nunamaker was assisted by Joseph Drust and W. Dennis Krauss.

Finishing second in the Lehigh-Northampton League, the matmen lost only three matches this year. Only one of these was a league meet. Losses were to Northampton (Lehigh Valley Champions), Hellertown (Lehigh-Northampton Champions), and Phillipsburg (East Penn League Champions). For the first time in history, Nazareth defeated Bethlehem with a score 25-18.

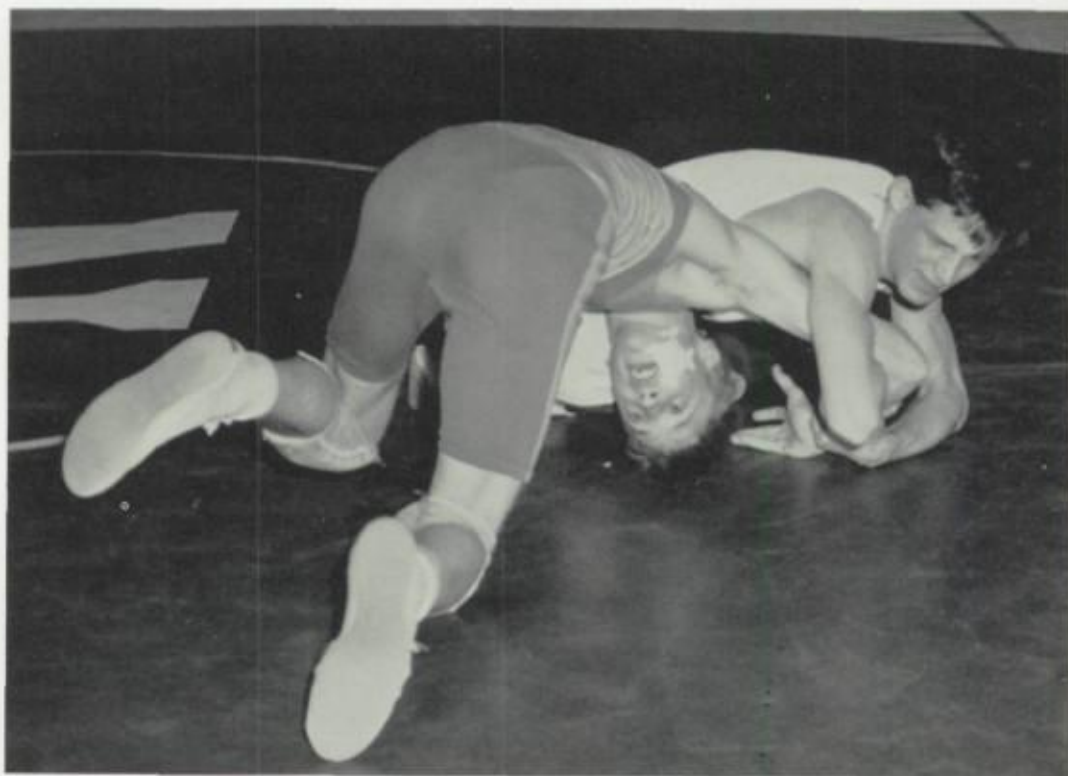

The J.V. team had an equally successful season with a 9-win 3-loss record, two of which were shut-out meets.

Four Nazareth seniors advanced to the district semi-finals at Easton: Tom Fehr (136 lbs.), Captain Tom Konya (141 lbs.), Bruce Stimmel (157 lbs.), and Carmen Pezzuto (183 lbs.). Tom Fehr went on to the PIAA Regional Meet which was held at Scranton.

Nazareth will lose five fine seniors with fine records: Carmen Pezzuto (9-2), Bruce Stimmel (8-2-1), Tom Konya (9-3), Tom Fehr (7-3-2), and John Scobo (5-2-1). Ready to take over next year are three outstanding varsity juniors: Ricky Metz (10-2), Ron Klein (8-3-1), and Jim Hahn (7-3), and five undefeated J.V. grapplers: Gail Smith (10-0), Barry Mlodossich (9-0), Chuck Zurowski (8-0-2), Linfort Wentzell (6-0), and Lou Frisch (5-0). Nazareth can look forward to an even better season next year in both achievement and attendance.

Greg Brock gets a flying take off in the broad jump for the Blue Eagles.

With a new coach, Montford Illick, and hard-working boys, the Blue Eagles track team rebounded from a losing previous season to post a 5-3 record in 1964. The team had good depth in all events and thus did well in every meet.

The Blue Eagle cindermen suffered losses in their first two meets, bowing in their opening meet on April 9 to Wilson 52-47, and in the following meet to Hellertown 60½-38½.

Overcoming the first two defeats, the Blue Eagles had a decisive victory over Phillipsburg 67-32, but they were beaten in the next meet by a strong Parkland team 53-46.

On May 2 the Blue Eagles came alive to defeat Whitehall in a decisive 69½-28½ victory. Steward Behn was a triple winner and Mike Lilly won two. Behn swept the short distances of the 100, 220, and 440.

First place winner for the Blue Eagles in the Lehigh-Northampton League meet was Mike Lilly, who won the mile. Lilly later went on to set a new mile record of 4:30.4 at the District XI track meet.

Although the Blue Eagles will miss Mike Lilly and Steward Behn in the running events, and Bill Granda in the broad jump our returning underclassmen should produce another fine track team.

Mike Lilly sets a new mile record of 4:30.4 at the District XI track meet.

Up and over for Nazareth is Nick Drosnock who clears the high jump bar with ease.

Lilly and Behn Set School Records

Lilly raced for victories in the long runs by taking the 880 and the mile.

With this victory over Whitehall, the Eagles went on to defeat Bangor 66-33.

The Eagles continued their winning ways against Pen Argyl by taking 9 out of 11 firsts. Nazareth routed Pen Argyl 70-29. Behn set a new Blue Eagle mark of 52 flat in the 440.

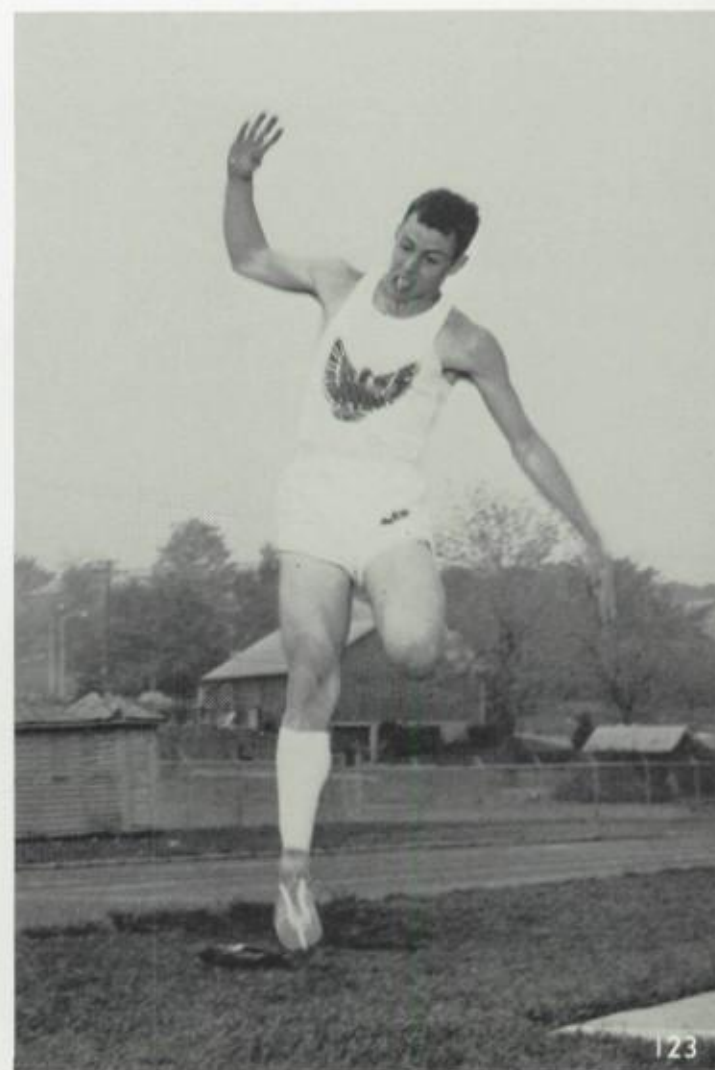

The Blue Eagle cindermen made it four in a row by downing Emmaus 54-36 in a non-league meet on May 12. Stewart Behn and Mike Lilly were again double winners. Behn took the 220 and 440, while Lilly won the 880 and the mile.

Finishing the season with these four victories, the Nazareth team went on to make a fine showing in the Lehigh-Northampton League meet. As a team Nazareth placed third.

Steward Behn warms up before running the 440 in the meet with Whitehall.

Consistent broad jump winner Bill Granda displays his winning form and effort.

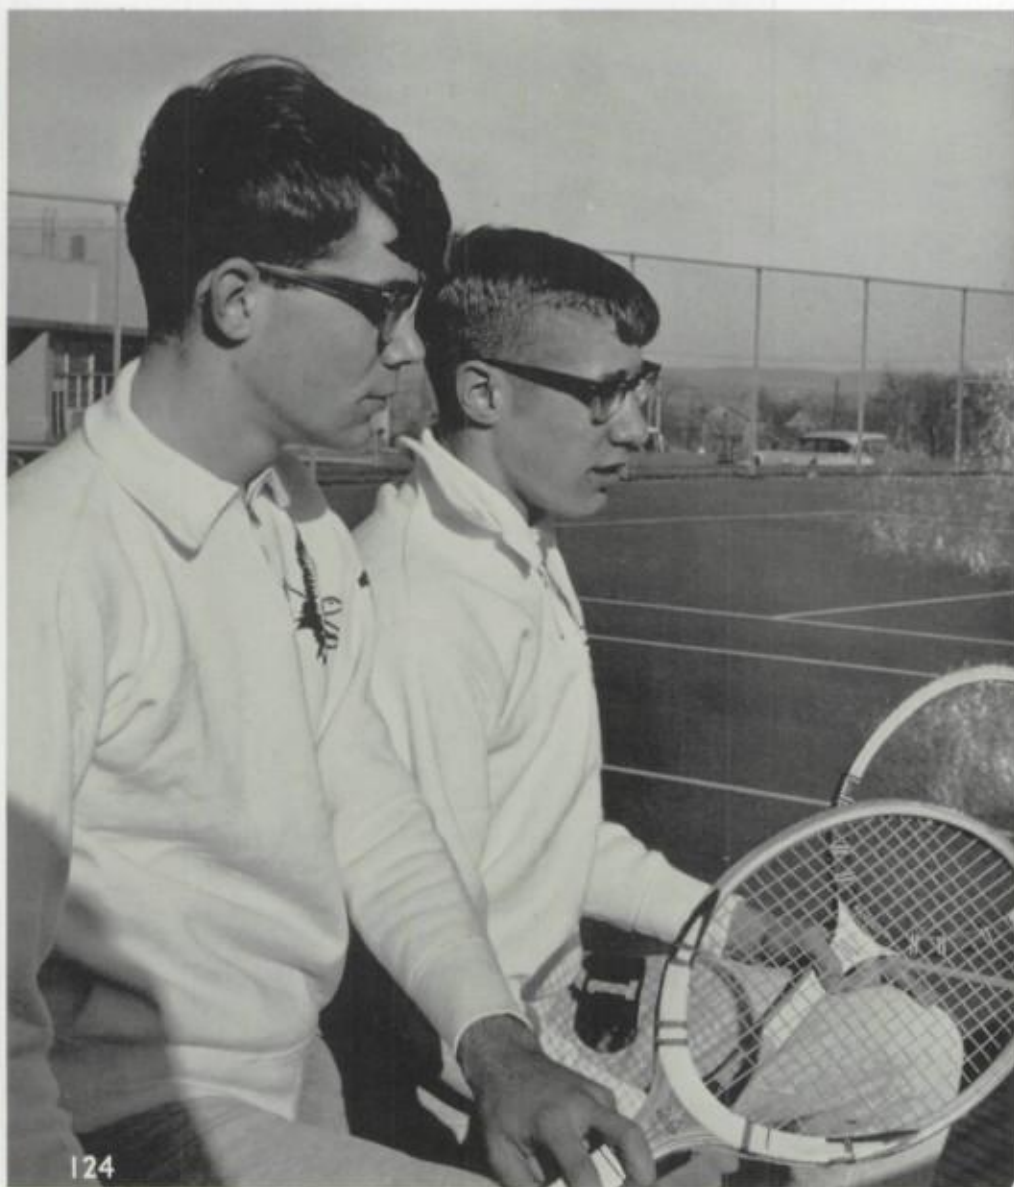

1964 TENNIS SQUAD

FRONT ROW: Neal Wolfe, Thomas Clewell, Sterling Buss, Glenn Hahn, Edward Christman, Jr.

BACK ROW: Coach Edward Christman, Carter Young, Gerald Wolfe, Quentin Huber, Managers Ernest Schaffer and Anthony Kazmakites.

A tremendous serve goes crashing over the net as Nazareth begins 1964 Tennis season against Bethlehem.

Gerald Wolfe and Ed Christman, two returning lettermen to the 1965 team, form the number one doubles team.

The Nazareth Blue Eagle Netmen posted a 4-9-1 record in the 1964 season. The Eagle victories were against Dieruff, Emmaus, and two against Wilson. The tie was with Dieruff.

This year Nazareth was without the services of Carter Young and Quentin Huber, both among the first four single players. Gerald Wolfe, Edward Christman, and Thomas Clewell are the only lettermen returning.

The highlight of the 1964 season for Nazareth was reaching the District XI finals in doubles. Carter Young and Ed Christman teamed up to represent the Blue Eagles as defending District XI champs. The doubles duo won their first match by defeating Bethlehem 1-6, 6-3, 6-1. In the finals, Christman and Young were defeated by Easton 8-6, 7-5.

The Blue Eagle tennis team is looking forward to a successful 1965 season by taking full use of six newly macadamized tennis courts.

Watching the game from the coaches' view on the bench, a fan sees Glen Engler delivering a pitch to an opposing batter.

The Nazareth Blue Eagle baseball team finished the 1964 season with a 6-6 seasonal record. In Lehigh-Northampton League play the Blue Eagles were 6-4. During the season the Eagles displayed fine pitching and improved hitting.

The Nazareth stickmen bowed in their first two games to Southern Lehigh 4-1 and Hellertown 8-1.

The Eagles came back strong after their opening losses against Whitehall behind the excellent pitching of Glen Engler. Engler pitched a no-hitter and aided his cause by hitting a grand-slam homer his first time up at bat. The final score was 19-0.

Nazareth downed Wilson for their second victory of the season 6-5 on May 4. The highlight of the game came when Rick Metz hit his homerun.

The Blue Eagles dropped their next three to Pen Argyl 7-5, Bangor 8-1, and Wilson 14-2. In the Pen Argyl game Nazareth brought in 5 runs on 4 hits, but the Knights outscored them with 7 runs.

The Nazareth men regained their winning way by shutting out East Stroudsburg 9-0.

In the next game the Blue Eagles blanked Hellertown 11-0 behind the pitching of Glen Engler. Ricky Metz, Dale Lindenmoyer, and Bruce Fry each chalked up 7 hits for the Eagles, with Fry batting in 4 runs.

Nazareth dropped the next one to the league leader Bangor, 4-0.

As their second dessert, students purchase ice cream from Mrs. Joan Nagle. Getting ready for the next lunch line, Mr. Arling Stout refills the milk cartons.

Constance Keck schedules an appointment with the guidance counselors for Mr. John Lee. Parents have an opportunity to meet with Mr. Reichard and Mrs. Ruch during the Open House program.

CUSTODIANS are Harry Werkheiser, Robert Kindt, Arling Stoudt, and Granville Klein.

These men and women are very important to us for they help make our school life more enjoyable by helping our school to maintain a neat and clean appearance and by preparing and serving delicious mid-day meals.

Keeping the halls and classrooms free from dirt and paper, which accumulates daily, is only one of the many jobs of our custodians. They also help to make the faculty rooms attractive for our teachers by keeping them sparkling clean.

Our cafeteria staff faithfully prepares nourishing and fulfilling lunch time meals for several hundred students.

HOUSEKEEPERS Mrs. Maude Snyder and Mrs. Phyllis Frisch.

FINE SCHOOL, COLLEGE & CAMP PHOTOGRAPHY
FOR THOSE WHO STILL DARE TO CARE FOR THE FINEST

We have come a long way from the days of Truman and Titan. Today, in an era of Johnson and Gemini, we have lived 18 years, 12 of which have been spent in school, learning those things necessary for us to use the rest of our lives. We have been given a good formal education, but we also have gained many fringe benefits—we have learned cooperation in science labs and class projects, sportsmanship in gym and sports, salesmanship during magazine campaigns and ticket sales for concerts, and determination in working to our ability in all we have done.

As children we played with other children and found that selfishness, jealousy, and prejudice never got us anywhere. As we grew we learned to compromise and use tact in our relationships with others. Our parents and teachers guided us in these endeavors, helping us to realize the importance of others as well as ourselves.

Today, as Seniors, we are on the threshold of a new world—a world torn by strife and hate, by fear and prejudice. We can no longer step back into oblivion and disregard this world, letting our parents make all the decisions. We

must grow, we must learn, we must decide how to solve the problems of racial discrimination, nuclear war threats and unstable government. We must become the leaders of tomorrow, and make our world better than it is now.

But now we are still students—still learning and still growing. We wish to remember this, our last year at Nazareth Area High School, as something special. We wish to remember both the good and the bad times of this memorable year—the Class Play, the Johnson-Goldwater "Political Cam-

paign," the practical jokes, days when report cards went home, the cafeteria, and all our friends and teachers. This book, *THE COMET*, was written for that reason—to help us remember.

And now, as this year—and this book—come to a close, we wish to express our appreciation to those who helped us to become what we are now, and who have influenced our lives and our futures. To our parents, our teachers, our friends, and our advisors to whom we owe so much, we wish to express our feelings in two words—inadequate as they are—thank you.
